

QuickPro Enclosure

Re-Enterable 2-Slot HDSL Enclosure

The QuickPro™ weatherproof aluminum enclosure provides protection and mounting for two single-wide HDSL cards or one double-wide HDSL card. The enclosure incorporates an optimized heat dissipating design ensuring circuit integrity while providing a secure seal against moisture.

Product Highlights

- 3-element gas tube protection installed on all four ports
- No need for costly controlled-environment vaults
- Versatile design that is compatible with aerial and below-ground installations
- Lightweight, weatherproof, easy to install
- Fast re-entry for testing and repairs
- Integrated cable stub and grounding strap
- Compatible with industry-standard doublers
- Meets all applicable requirements for OSP telecom enclosures according to:
 - TR-TSY-000056
 - TR-NWT-000078
 - GR-63-CORE
 - GR-487-CORE
 - GR-1361-CORE
 - GR-2834-CORE

Product Specifications

- Part Number: 1005-02P
- Capacity: 2 single-wide or 1 double-wide HDSL
- Material: 1/8" 6061 aluminum
- Temperature Range: -40° to +145° F (-40° to +63° C)
- Relative Humidity: 100% at 10' depth
- Mounting: Wall, pole or inside pedestal
- Lightning Protection: 3-element gas tube
- Color: White powder coat finish

Dimensions and Weights

- Dimensions: 3" x 13" x 2"
- Boxed Shipping Weight: 4 lbs.
